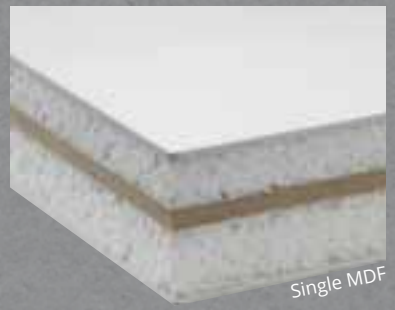
Colourgrain & Woodgrain Options

Accessories

Our wide range of door furniture is available in a choice of white, black, gold and chrome colour options and will beautifully complement and personalise your chosen door.

Core Materials



Our door panels are manufactured using advanced technology that bonds two PVC-U skins to a variety of reinforcing materials ensuring the integrity of the panel for heat and moisture. Depending on the degree of security required we offer a choice of reinforcing materials.

Our Type A Expanded Polystyrene is BS 476 Classified, totally recyclable, non toxic and inert. It contains no CFC's or HFC's and contains a fire retardant additive tested to BS 4735, formulated to restrict the extent of burn.

Make it

Personal

Got a favourite image?

Using advanced technology known as direct digital glass printing (DDG) we can take your image and reproduce it directly onto your chosen door style...
...now you really can make a personal statement!!

This unique process is weather and fade resistant and fully guaranteed.
