

## Deep Decarbonization Pathways Project (DDPP)

*Team meeting*

### FINAL AGENDA

April 30 – May 2

Reid Hall, 4 rue de Chevreuse, 75006 Paris

### OBJECTIVES

This will be the last DDPP in-person team meeting before country chapters are due on May 31 and the DDPP report to the Secretary General is published in July. Teleconferences will be organized in May and June.

Objectives of the meeting:

- Present and provide feedback on country preliminary low carbon scenarios based on dashboard, strategy matrix, and narrative or subsequent modeling
- Identify and address key methodological and technical challenges to developing detailed and robust national deep decarbonization pathways
- Discuss and agree on the content and structure of the July report, country chapters, and individual country reports
- Identify key messages and develop communication strategy

### WEDNESDAY, APRIL 30

8h30 – 8h45: Welcome and introduction: Emmanuel Guerin, SDSN

8h45 – 9h45: Updates and next steps for the DDPP

Objectives:

- Update on DDPP progress to date
- DDPP role in context of Climate Summit and UNFCCC COP21
- Content and structure of the July report
- Timing and content of January 2015 (?) report
- Opportunity for individual country reports (in addition to country chapters in July report) to be published between July 2014 and January 2015

Chair: Emmanuel Guerin, SDSN

9h45 – 10h00: Coffee break

10h00 – 12h30: Country preliminary low carbon scenario presentation (I)

The structure of each country presentation session will be the following:

- 15 minute presentation by country team on its preliminary scenario based on the dashboard, matrix, and narrative exercise or on subsequent modeling
- 5 minutes of comments and questions by paired country team (see Annex)
- 5 minutes of open comments and questions from other participants
- 5 minutes of country team responses to questions and comments
- There will also be 30 minutes set aside at the end of the session for additional responses by country teams and general discussion

Chair: Michel Colombier, IDDRI

10h00 – 10h30: France: Patrick Criqui, EDDEN

10h30 – 11h00: Australia: Amandine Denis, Climateworks Australia/Steve Hatfield-Dodds, CSIRO

11h00 – 11h30: Brazil: Emilio La Rovere/Claudio Gesteira, COPPE, UFRJ

11h30 – 12h00: Canada: Chris Bataille, Navius Research/Richard Adamson  
CMC

12h00 – 12h30: General discussion

12h30 – 14h00: Lunch

14h00 – 16h30: Country preliminary low carbon scenario presentation (II)

Chair: Henri Waisman, IDDRI

14h00 – 14h30: China: Teng Fei, Tsinghua University

14h30 – 15h00: UK: Steve Pye, UCL

15h00 – 15h30: India: Ritu Matur/Aayushi Awashti, TERI

15h30 – 16h00: Indonesia: Ucok Siagian/Rizaldi Boer

16h00 – 16h30: General discussion

16h30 – 16h45: Coffee break

16h45 – 18h45: Content and structure of country chapters and reports

Objectives:

- Agree on detailed table of contents for the country chapters of the July report. Country chapters are to be brief, with the same structure, figures, and tables.
- Discuss structure and content of country specific reports to be published between July 2014 and January 2015. Country reports can be longer, and will have both common content (description and analysis of country deep decarbonization pathways) and country-specific content addressing national context and issues

Chair: Henri Waisman/Emmanuel Guerin

## THURSDAY, MAY 1

8h30 – 11h00: Country preliminary low carbon scenario presentation (III)

Chair: Emmanuel Guerin, SDSN

8h30 – 9h00: Germany, Ortwin Renn/Piet Sellke, Stuttgart University

9h00 – 9h30: Japan: Mikiko Kainuma, NIES

9h30 – 10h00: Mexico: Jordi Tovilla, INECC

10h00 – 10h30: Russia: Oleg Lugovoy, RANEPa

10h30 – 11h00: General discussion

11h00 – 11h15: Coffee break

11h15 – 13h15: Country preliminary low carbon scenario presentation (IV)

Chair: Carl Mas, SDSN

11h15 – 11h45: South Africa: Harald Winkler, ERC

11h45 – 12h15: South Korea: Ji-hoon Ahn/Dong-Woon Roh, KEEI

12h15 – 12h45: US: Jim Williams/Fredrich Kahrl, E3

12h45 – 13h15: General discussion

13h15 – 14h30: Lunch

14h30 – 16h30: Moving forward: exploring how to achieve deeper emissions reductions and developing more detailed scenarios

Objectives:

- Explore potential for deepening emissions reductions by changing the sector assumptions (transport, buildings, industry, power...) used in country scenarios
- Discuss opportunity and need for coordination of assumptions across countries
- Discuss technical feasibility of the country pathways and how to make country scenarios more robust analytically

Chair: Jeffrey Sachs, SDSN

16h30 – 16h45: Coffee break

16h45 – 17h45: Research highlights, and key messages

Objectives:

- Discuss the main messages to be included in the July report summary of key findings and introduction
- Discuss the positioning of the DDPP with respect to other initiatives/studies based on different methodologies (eg, IPCC, IEA, New Climate Economy...)

Chair: Laurence Tubiana, IDDRI and Jeffrey Sachs, SDSN

17h45 – 18h45: Outreach strategy, conclusions regarding July report and next steps of the project

Objectives:

- Sketch out the outreach strategy, both at the global and national levels
- Explore the opportunity for academic promotion (eg, special issue in a peer-reviewed journal)

Chair: Laurence Tubiana, IDDRI, Jeffrey Sachs and Emmanuel Guerin, SDSN

## FRIDAY, MAY 2

This day will be devoted to more in-depth discussion of key methodological and technical challenges in developing national deep decarbonization pathways. It will start with a plenary session on scenario development and general modeling challenges, then proceed to break-out sessions for detailed discussions. Potential topics include:

- Back casting in bottom-up and top-down models
- Developing low carbon scenarios and alternatives
- Coordinating global and sectoral assumptions across countries.
- Constraining scenarios for technical feasibility
- Trade in energy intensive commodities, agricultural goods, and fossil fuels

9h00 – 11h00: Plenary

11h00 – 11h15: Coffee break

11h15 – 13h15: Break-out session #1

13h15 – 14h00: Lunch

14h00 – 16h00: Break-out session #2

16h00 – 16h15: Coffee break

16h15 – 18h15: Plenary resumed

## ANNEX

Pairs of country teams for the country presentations and comments:

US – China

India – UK

Indonesia – Australia

Canada – Russia

France – Brazil

Japan – Korea

South Africa – Mexico

DDPP secretariat – Germany
