SARAH CLARK

Sarah,
We are very proud of your hard work and dedication to dance. Even more, we love to see how happy it makes you. We wish you a life filled with dancing.
Love, Mom, Dad, and Shannon

Miss Isobel, Miss Kim, and the SJDA Staff,
Thank you for everything you have taught me throughout the years. Without your dedication, patience and support I would not be the person I am today. I can not put into words how grateful I am to have been part of the SJDA family. It is sad that my time at the studio has ended, but I am extremely grateful that it has become my second home, and for all the memories I have made here. I love you all and thanks again for everything!

Miss Holly,
Thank you for the multitude of stories, memories and laughs that I will never forget. I am so happy that you have been one of my teachers for as long as I can remember. Despite the kind of day I was having, your class never failed to cheer me up and I will never be able to repay you for that. Thank you again and I'll be back to visit! Love you!

To My Dance Girls,
Thank you for all the inside jokes, endless laughter, and many memories that will never be forgotten. I am blessed that I got to dance with each and every one of you. Don't worry, I'll be back! Love you all so much!

Ananda and Gianna,
I am truly blessed and honored to have gotten so close to both of you in such a short amount of time. Despite the ups and downs, I will never be able to thank you enough for cheering me up on my bad days and having me in tears from laughing so hard. You have truly become my best friends and I can't wait to see you accomplish amazing things in the future. Keep killing it on stage! I will miss you so much, and I love you with all my heart. **xoxox Sarah**

SARA RIVERA

To My Girls,
It's going to be hard next year not being able to see you every day. But thank you for all the endless laughter and memories we have shared throughout all these years of dance. You have become my second family. I wish ALL of you the best of luck next year dancing on the competition stage without me.

P.S. REMEMBER: "DANCE WITH YOUR HEART"

To Ova & Pam (seasonal banana),
Thank you for bringing laughter and humor into my life. You have a special place in my heart. RIVPHICOLOS FOREVER & ALWAYS

To Liz, Gi & Riss,
Remember not to fight another studio at a competition unless I'm there! I love the three of you so much and thank you for becoming my sisters.

To All My Teens,
I've seen you grow up so fast, so please remember to cherish the years you have left at the studio because I promise they will go by faster than you think!

Love Always, Sara

Miss Isobel, Miss Kim, Miss Mary, Miss Sue, Mr. Tyler, and the SJDA Staff,

It's hard to believe that after 13 years of dancing at this studio it's finally time to say goodbye to my second home and move on to college. It feels like just yesterday I learned how to shuffle ball change, do my first pirouette, and even perform at my first competition. I will always be grateful for your guidance and support during my auditions for summer intensives and college. Throughout the years at SJDA I've learned to be a hard worker, to have dedication and respect, and most of all to have a passion for dance. Thank you to all the teachers, and to Miss Isobel and Miss Kim for giving me the Wilma Stewart Scholarship. It was an honor to be a recipient of such a special award. I hope I made you proud. It is safe to say that I will never forget the countless years I have spent at the studio, and I am very grateful for all the guidance you have provided for me. I love you with all my heart and I wish you the best of luck for years to come.

P.S. Don't worry... I will be visiting the studio A LOT next year!!!

Still remember you dressed as Tinkerbell for Halloween. You were only 5! I am sure Grandpa is very proud up in heaven!

Love, Aunt Judy, Uncle John, Arturo, Matt, John, Kayleigh and Bella

Your hard work and dedication has made you into a truly beautiful dancer! We are looking forward to watching you dance at Rutgers and beyond. Love, Anthony and Karen

Miss Isobel, Miss Kim, Miss Mary, and the SJDA Staff,

Words cannot express how thankful I am for everything you have done for me for the past 15 years. Thank you for sharing your love for dance and inspiring me to grow as a dancer. Because of you, I have found my own passion for dance. I don't know where the time went, but my experience at Stewart Johnson is one I truly will never forget. The family and second home you have created will always hold a special place in my heart. You have instilled in me the value of hard work and discipline that will remain with me throughout my future. I am forever grateful!

Mom and Dad,

I am truly blessed to have such supportive parents. I am so grateful for the experiences you have provided for me. You've been in the audience cheering me on for every performance, and I can't thank you enough. Without your support I wouldn't be where I am today. I love you!

My Fellow Senior Graduates and Classmates,

Thank you for all of the crazy memories we have together. There was never a dull moment between classes, competitions, and recitals. You guys have made this experience truly unforgettable. I wish you the best of luck in the future. The past years together have been awesome. I love you all!

xoxo Jill

DEAR JILL,

It's hard to believe that your time at SJDA is ending. We have enjoyed watching you perform in your recitals and competitions these past 14 years. Your dedication, commitment and sacrifices have rewarded you not only with dance training, but also poise, gracefulness and cherished memories. As the curtain closes on your final performance, we know many doors will open because of your experiences at SJDA.
