

Tradeshows & Exhibitions

Mayflower has earned one of the best reputations for quality transportation and shipping services in the tradeshow industry. As part of the UniGroup family of companies, we have a vast network throughout the country and around the world who understand the critical nature of this business.

Our team can assist you in arranging:

- Representation at major U.S. shows and international fairs
- Staff on show floor and marshalling yard during move-in and move-out periods
- Direct pick-up and delivery of your tradeshow located anywhere in the world via ocean, air or ground
- Preparation of international documents including:
 - Shipper's Letter of Instruction
 - Shipping labels
 - U.S. Customs Power of Attorney
 - Certificate of Origin

More than 70 major international trade fair organizers appointed us as "Official U.S. Forwarder." We have serviced thousands of shipments, from origin to destination throughout six continents, providing a multitude of services. Clients include individual companies, government and professional trade associations, exhibit builders and international trade show organizers.

Our membership with International Exhibition Logistics Associates (IELA) indicates we are among an elite group of companies in 53 countries, dedicated to meeting your on-site logistics and shipping needs for tradeshows, fairs and exhibitions.
