El Nasr Glass & Crystal Co.

One of the Holding Company for Metallurgical Industries companies

El- Nasr Company for manufacture of glass and crystal, founded in 1932 we have experience of more than 84 years.

One of the first companies specialized in the glassware products.

Our production lines have been renewed on 1990 & 2012

The company renewed all its production lines using the latest European technology (Germany/Italy) to keep up with the technology development.

This reflected in the quality of products such as, home appliances & Embossed flat glass.

The production started in 2015
