

CHINESE 中文 . ENGLISH 英文 . SPANISH 西班牙文

Dear Parents,

We are looking forward on Friday, April 18th for our Spring Party and egg hunt. It should be a lot of fun decorating our eggs and making baskets for that big day.

CH **Chinese Curriculum**
Spring is finally here! April is going to be an enriching month for the children. The children will be continuing nurturing our garden by turning the compost daily. We are getting excited to plant seeds in the compost. We are still progressing in our literacy program. We will teach the children Chinese proverbs related to bunnies and spring!

EN **English Curriculum**
Ms. Amber has been settling into Beyond quite well. For April, she has a lot of Botany curriculum for the study of flowers. The children will be learning the parts of the flower. They will be able to observe how a flower gets its nutrients and then what else makes

the flower grow. They will learn how to dry flowers and do flower rubbings and pressings.

SP **Spanish Curriculum**
The children will be learning to recite our Spanish phrase *Mi becca puede hablar, Y tambien puede cantar.* This means, "My mouth can speak, and can also sing." The children will also be learning about emotions and learning how to say them in Spanish. We will be reinforcing colors, shapes and numbers.

ET **Field Trip**
The children will be taking their first walking field trip to Armstrong Garden's on April 10th. The children will be observing the many different flowers and will be able to pick out seeds to plant in the garden in our nature area. We will be sending out permission forms for you to sign at the beginning of next week. Please feel free to join us on our adventure.

APRIL 2014

LANGUAGE IMMERSION PRESCHOOL

CU **Culture Curriculum**
The children will be learning about Diego Rivera. He was considered one of the greatest Mexican painter's of the twentieth century. Diego Rivera had profound effect on the international art world. His wife was Frida Kalho, who we learn about last month.

We will also exploring the country of South Africa. The children will learn that it is multiethnic and it recognizes 11 languages.

CO **Cooking Project**
-On April 9th we will be making Sunny Pancakes.

-On April 23rd we will be making Bunny Snack.
