

HEAVEN

classic planks with
extra matt finish

The classic planks of our Heaven collection radiate a gentle, almost heavenly tranquility. This collection follows the trend to quieter surfaces. To do this, we combine a balanced grade with modern colours and finish the surfaces with our special soft brushing and an extra matt finish. This surface enhancement gives the planks a timeless and genuinely natural appearance. The extra matt finish reduces reflections to a minimum, allowing the colours and natural beauty of the flooring to be experienced more intensely. When laid, the result is a floor with a pleasant silky feel and a bright freshness.

BALANCED FRESHNESS

Harmoniously calm and varied

Our Heaven classic planks have an extra matt finish with a multilayer coating system. This coating also protects against stronger impacts because it is both elastic and flexible. It also provides good protection of the wood surface against everyday wear and tear. The extra matt coating also accentuates the calm appearance of the floorscape. A particularly soft brushed finish emphasises the timeless, clear effect of the Heaven surfaces.

Each Heaven plank is continuously tested for the appropriate degree of gloss. In addition, a ter Hürne expert takes samples to guarantee a perfect result.

The colours of the Heaven and Earth Collection are also available as herringbone and system planks from the Flemish Heritage Collection (page 44-47).
