Deaf Awareness for Free

Terms and Conditions

We have limited spaces for each free session. We would like to offer it to people who have a family member or friend living in our local community who are Deaf. We are not offering the session to people who work for an organisation who could pay for the session, for example the Private Sector and Social Services.

Deaf Positives Action would like your experience to be as enjoyable as possible. We are friendly and involved in many activities that will help you to integrate within the Deaf community. The following will enable us to achieve this.

Costs

We have been fortunate enough to receive funding from Tesco to deliver this Deaf Awareness session for free.

Insurance

We do not carry insurance to cover your personal items. You are responsible for your personal items whilst at our premises or at any other premises at which the session is held.

Deaf Positives Action endeavours to keep all information correct and up-to-date. However, we reserve the right to vary the session content or method of delivery. We may vary the session appropriately without consulting you.

Joining instructions and Timing
