It was good for me, good for you, Now nothing either of us

I'll live alone and hide myself behind my tears,
I’ll Never Be The Same - Page 2 of 3

And I’ll never be the same without your love,

I’ll live alone and try so hard to rise above,

It was good just one thing before you go, just one thing that you've got to know, No one will ever touch me that way, the way that you did that very first day and I'll never be the same
VERSE 2:

The years go by
There's always someone new
To try and help me forget about you
Time and again, it does me no good
Love never feels the way that it should
I loved you then, I guess I'll love you forever
And even though I know we could never stay together
I'll think of how it could have been
If we could just start all over again
