B-003: Program Service Achievements

1. Overview

Board shall review HEART Program service accomplishments annually to ensure that the organization achieves its exempt purpose. The HEART Program service accomplishments shall be provided to the Board for review and approval prior to the end of each fiscal year. The report shall include specific program service accomplishments through measurements such as students and families served, days of program provided, number of sessions or events held, and publications issued. Statistical information as well as the objective of the program activities, long-term goals and outcomes shall also be presented in this report. This report will be posted on the Pro-Youth/HEART website.
