

Declaration Predator Assault treats the Health and safety of all participants as a priority. As with any sport/leisure activity there are hazards associated with laser combat. We recommend that old trousers/shorts and long sleeve tops are worn with fastened trainers.

I understand that:

- **No physical contact is allowed between participants**
- Laser Combat is physically and mentally intense and may require extreme exertion to play.
- The possibility of injury to myself and others exists.
- The playing area has a varying terrain and may be slippery and have many trip hazards.
- There is the possibility of fallen tree debris.
- I understand that the minimum age to take part in laser combat is 6 years old.

I confirm and agree that:

- I am physically fit and mentally able to take the strain and exertion involved playing laser combat.
- I have no medical condition that would prevent me from playing (please make your marshals aware if you have an inhaler or other medical aid).
- I am fully aware of the risk to myself and others involved in laser combat.
- I will comply with the rules and use of all equipment as instructed and not so as to injure or hurt others.
- I will obey all instructions from the game marshals.
