Quote will be processed, parts prices sourced and quote submitted to insurance company.

Once approved we will both receive notification from your insurance company.

We will need to order the parts needed to repair your car. (parts may not be ordered immediately if we have a large workload)

Once the parts are here we will contact you to arrange a time that is convenient for us to do the repairs.

If for some reason, eg extra damage found, wrong parts received or more parts required, you will be notified that the collection date will no longer apply.

S  **RRRY!**

When the work has been completed on your vehicle we will contact you to arrange collection.

The excess must be paid before taking your vehicle.
