A student at a Gorleston high school is celebrating after winning a scholarship at Gresham's School in Holt.

Tyler Munro, who is the head girl at Ormiston Venture Academy, has been chosen for a sixth form full academic and boarding scholarship for two years from September

She has become the eighth student to receive the scholarship as part of a partnership between Ormiston Venture Academy and Gresham's.

The process of selecting a scholar takes several months, with candidates going through several rounds of interviews and tasks before the final candidates attend interviews with Gresham's senior team.

Tyler has represented the academy at debating competitions and sporting fixtures and through the Union has done a huge amount to raise money for good causes. Tyler plans to complete the International Baccalaureate at Gresham's, before studying medicine.

She said: "This opportunity is life changing; I am so excited to start this new chapter of my life and really get started at Gresham's."
