Who we are

Founded in 2007, the Hammonton Cancer Foundation (HCF) raises funds to help cancer patients who need financial assistance.

To accomplish that goal, HCF donates the funds it raises to the South Jersey Cancer Fund (SJCF), another all-volunteer group that has been helping cancer patients in Atlantic, Cumberland and Cape May counties pay their bills since 1964.

HCF is comprised of members who share a commitment to the people of Hammonton and the surrounding communities. Many of our members are cancer survivors who understand the importance and need for a friendly hand when going through such a traumatic event.

Through our relationship with SJCF, we have been able to achieve our organization's goal: "Helping Our Neighbors." Working together, the two groups have provided assistance to thousands of cancer patients.

What we do

HCF relies on two major fund-raisers each year: a dinner and a walk.

The dinner, held early in October, features entertainment, a silent auction and a PowerPoint tribute. Members also provide homemade desserts.

Dinner entertainment

The dinner is always a sold-out event that raises a substantial part of the annual funds HCF provides to SJCF.

The event also includes a program book that offers donors an opportunity to honor a cancer patient or place an ad to help support the organization.

Annual HCF Cancer Walk

HCF's annual "Helping Our Neighbors Cancer Walk" is the organization's other major fund-raiser.

The walk raises funds through walker registration fees, a tribute wall with names of cancer patients and sponsorships by businesses, organizations and individuals.

The four sponsor levels are Gold: \$1,000 and up; Silver: \$500 to \$999; Bronze: \$100 to \$499; and Circle of Friends: \$50 to \$99.

Held in early June each year, the event includes live entertainment, children's activities and refreshments.
