

Help Pave our Way to GREAT FUTURES

Show your community support by purchasing an engraved paver to help support the Boys & Girls Club of Erie County. We want to revitalize the exterior of the Club for the teens to have a place they are proud to call their own. What better way to do that than by showing your support at the front entrance! Each day the teens will pass your contribution and know the community is supporting their efforts to reach their full potential as productive, caring, responsible citizens.

- 4-Brick Array** - (4) 8"x8" bricks (total size: 16"x16") grouped together and engraving of 3 lines* on each **\$1,200**
