***ALL utilities should be active and in Legacy Rental Management's name when you move in. The Lease Agreement requires that the Lessee transfer all applicable utilities into Lessee's name. Legacy Rental Management requests that you, the Lessee, make this transfer within one business day of occupancy. Please document your account number, circle the company which provides the service, and return this form to our office. Within 72 hours of your move-in, we will verify the transfer of the utilities as outlined in the Lease Agreement.***
