

# Malibu

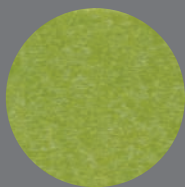

OUTDOOR LIVING®

COLLECTION  
2018

## Reasons to choose Malibu

- Malibu manufactures using the highest-quality recycled plastic lumber available.
- Our fasteners are made with 316 marine-grade stainless steel.
- Almost all of the materials used in our products are CNC machined for precision and accuracy.
- We use aluminum tabletop frames for improved structural integrity and durability.
- Tabletop frames are CNC machined, fully welded, and finished with exterior UV-grade powder coating. This finishing detail allows us to space our tabletop slats while not having to see unsightly raw aluminum.
- Our 245,000 square foot facility has over 40 years of experience in manufacturing, assembly, warehousing, and distribution.

**BEAUTIFUL, DURABLE ALL-WEATHER FURNITURE.**  
**WITH A THOUGHTFUL NOD TO THE PLANET.**

At Malibu Outdoor Living, our personal mission is to help beautify everyday life – while preserving our environment for generations to come. Instead of harvesting precious woods like red cedar and pine, our superior quality poly lumber is manufactured from the recycled dairy and detergent bottles, keeping them out of our nation’s overcrowded landfills. The result is a remarkable line of all-weather furniture that won’t splinter, fade, chip or rust. Made here in the United States, low maintenance Malibu Outdoor Living products are brought to you with pride by our company’s most valuable resource: the diverse and dedicated team we continue to grow and nurture.

## FURNITURE & FABRIC CARE

Malibu Outdoor Living Care products are formulated using advanced technology and premium ingredients in order to ensure maximum results with minimal effort. Each product has been specifically engineered to safely, yet effectively clean and maintain the appearance of all outdoor furniture.

Ideal for all plastic, fiberglass, resin, poly, glass, vinyl, outdoor surfaces and fabrics.

### Heavy Duty Furniture Cleaner

- Safe, yet powerful formula loosens and dissolves greasy, grimy messes
- Specially formulated for use on outdoor furniture
- Biodegradable formula

### All Surface Mildew Stain Remover

- Removes tough mildew stains on contact
- Ideal for use on outdoor furniture and fabrics

### Heavy Duty Fabric Cleaner

- Safe for all outdoor fabrics including polyester, canvas, and all acrylic fabrics
- PTEF® polymers help repel future stains and UV rays that can cause fading
- For best results, follow up with Malibu Fabric Protectant

### Fabric Protectant

- PTEF® polymers help repel UV rays that cause fading
- Helps prevent mildew stains
- Does not change feel or breathability of fabric

## CUSHIONS & PILLOW FABRICS

## *How green is our product?*

Malibu Furniture is made from a High Density Polyethylene (HDPE) which is a recyclable plastic. We pride ourselves on producing a product that is not only beautiful and durable – but also helps our environment.

- Virtually Maintenance-Free
- 20 Year Warranty - Residential
- 7 Year Warranty - Commercial
- Stainless Steel Hardware
- Color Stable UV Inhibitor
- Quick Assembly

## CARE & MAINTENANCE

The Malibu Outdoor Living collection is UV protected and requires minimal maintenance. The High-Density Polyethylene (HDPE) material used does not require staining, sealing or painting. The product will not splinter or rot and the UV inhibitors help to resist fading. HDPE is not affected by most corrosive substances and will not absorb moisture or promote bacterial growth. To maintain your furniture you must clean it regularly with a mild soap and warm water. Power washing is acceptable at a low PSI and from a distance of two feet. Anything other than this will void the warranty. Items should not be left on the surface of your furniture/accent pieces for extended periods as this may cause discoloring or staining. Our marine grade stainless steel fasteners are virtually maintenance free under normal conditions. If you live in coastal or high salinity environments regular washing/rinsing with fresh water helps to avoid tarnishing or corrosion of the product.

## WARRANTY

Malibu Outdoor Living offers a limited warranty to the original purchaser. Our polyethylene outdoor furniture products will be free of original defects in workmanship and materials. This warranty is effective from original date of purchase and consist of twenty (20) years for residential enjoyment and seven (7) years of commercial enjoyment. Sling chairs carry a two (2) year warranty. Swivel and rocker chairs carry a five (5) year warranty on hardware. In the event that a product item needs to be replaced completely and is no longer offered in our collection, an item of similar value and style will be offered.

Additional charges such as labor and freight/handling are not included in this warranty. Normal wear and tear, scratching or chipping of polyethylene, negligence, abuse, incorrect assembly, staining, fading, chemical misuse and acts of nature do not pertain to this warranty.

In addition, polyethylene is a synthetic product and may scratch or fade depending on elements such as sunlight and other factors of nature or mankind. Expansion and contraction are to be expected in extreme temperature changes and is not to be considered defects in material or workmanship. Our stainless steel fasteners are covered as part of this warranty against structural failure. Stainless steel fasteners may rust in certain conditions if not cared for properly, rusting hardware is not covered in this warranty. Structural failure due to rusting fasteners, damage caused by unauthorized service or repair, fabrication or revisions to original finished product, or any attempt to use in a manner other than the purpose for which it is intended is not covered under this warranty.

Malibu Outdoor Living offers a warranty on cushions purchased to be free of original defects in workmanship and material for one year from date of purchase for residential use only. Compression of cushions is not considered a defect. Commercial use is not covered.
