

The Rev. Piotr (Peter) Strzelecki V.D.M. was born and raised in the mountains of southern Poland. Former Roman-Catholic, he belonged, in Poland, to the Order of the Missionaries of the Holy Family.

After arriving to Canada, he studied at St. Paul University in Ottawa. After a period of prayer and reflection, he made the United Church his new home. He lived and ministered in Poland, Saskatchewan, Ontario, and Alberta, in both, rural and urban settings.

To ministry at St. Paul's he brings experience of the past and passion and curiosity about the future. He holds civil and ecclesiastical degrees in theology, and his particular "church" interests are in the area of ethics and sacraments.

Married to Dawn, he enjoys his two stepchildren and two granddaughters. In his free time, he enjoys walking, cooking, and reading. Occasionally he "makes a joyful noise" on one of his guitars.
