To whom it may concern,

The Town of Lexington has been in partnership with Bay State Textiles since 2014. At first there was some skepticism regarding how much of an impact this would have on our custodial staff. I am happy to report that this has not been an issue whatsoever as the program actually runs itself. The only issue we have had to deal with is when the boxes have become full. This is usually reported to my office directly by residents or through the school admin at the location. I contact Bay State and they are on the job immediately, it's that easy. It's a win-win for all involved.

Sincerely,

Manny Cabral
