MANCHESTER — The town has started a textile recycling program in partnership with Bay State Textiles and the Central Connecticut Solid Waste Authority.

Residents can bring clothes, shoes, draperies, stuffed animals, and other fiber items to the collection container at the transfer station, 311 Olcott St., during normal transfer station hours, which are Monday to Saturday, 7:15 a.m. to 3 p.m.

Eighty percent of collected materials are reused in some manner, with additional 15 percent recycled into fiber. Items can be donated in any condition as long as they are clean and dry. Full details are available online:
