Mahogany Hair Color: A Trendy Twist on Traditional Brown If you're looking to update your brunette hair with a trendy shade, consider exploring mahogany hair color. This hot hue is a stylish option for those seeking a bold look that adds depth and dimension to their features. The wood tone-inspired shade has gained popularity among 30,000 Instagram users who proudly post their #mahoganyhair. Mahogany hair resembles the beautiful tones of mahogany wood, featuring notes of chocolatey brown, espresso, red, and deep purple mixed throughout. To achieve a mahogany hair color, you can opt for a salon appointment or try at-home options. Bring inspiration photos to your colorist to customize your hue, and consider products like L'Oréal Paris Féria in Rich Mahogany or Deep Burgundy for a redder tone, or L'Oréal Paris Superior Preference Fade-Defying Shine Permanent Hair Color in Dark Soft Mahogany Brown. Here are ten mahogany hair color ideas to try: 1. Money Piece - A great way to test the waters without committing to the full shade. 2. Chocolate Mahogany Ombre - Bold and daring, this low-maintenance hue is all about dark base with a lighter finish. 3. Mahogany with Bronze Auburn Ribbon Highlights - Adds a fresh twist to classic mahogany hair. 4. Subtle Gradient - A smooth transition from darker to lighter shades for a sophisticated look. 5. Rich Red Tones - Perfect for those who want a bold, fiery hue. 6. Deep Purple Undertones - Adds depth and dimension to the overall color. 7. Warm Honey Ombre - A sun-kissed twist on traditional mahogany hair. 8. Soft Peachy Hues - Ideal for those with cooler skin tones, adding a touch of warmth. 9. Dark Mahogany Brown - Perfect for those seeking a classic, timeless look. 10. Vibrant Red Highlights - Adds a pop of color to the overall hue. Mahogany hair is incredibly versatile, especially when it comes to combining different shades and techniques. For wavy and curly textures, we love mahogany hair with bronze auburn ribbon highlights that follow the natural coil of your hair, adding dimension and depth. If you're looking for a more subtle approach, consider the mahogany sombré trend on brown hair or the low-maintenance mahogany balayage. For added contrast, try pairing mahogany with jet-black lowlights. Alternatively, go for a bold, multi-tonal look with a red wine hair color that can be customized to your undertones. For a more gradual transition between hues, opt for a mahogany copper color melt or rooted mahogany with smudged roots and a mahogany hue. Finally, add brightness and mystique to your 'do with light mahogany and burgundy chunky highlights. When it comes to maintaining your beautiful new mahogany hair color, remember these four tips: switch to a hair care system formulated for color-treated hair, use a weekly hair mask to give your strands some extra TLC, keep your heat styling tools to a minimum, and get regular trims to prevent split ends. Their best hair look is achieved by incorporating a hair mask into their routine. The L'Oréal Paris Elvive Color Vibrancy Repair and Protect Balm helps to smooth and protect color-treated hair, giving it a fresh out-of-the-salon appearance. To maintain this effect, users can substitute their regular conditioner with the balm once or twice a week when they feel their hair needs extra attention. Editor's Tip: Alongside washing care, reducing heat styling is advised to preserve color. When using heat tools, a L'Oréal Paris Advanced Hairstyle SLEEK It Iron Straight Heatspray should be sprayed on the hair first to prevent damage. In terms of unique hair colors, mahogany is a blend of brown and red hues, resulting in a rich and deep shade. This color can range from subtle to vibrant and is often mixed with shades such as chocolate and coffee. Mahogany hair is a popular choice due to its ability to complement both cool and warm skin tones. Several celebrities, including Isla Fisher, Sofia Vergara, Demi Lovato, and Priyanka Chopra, have sported this color, showcasing its versatility. It can be worn as highlights, a solid color, or in an ombre style. One of the benefits of mahogany hair is its low maintenance requirement, especially for those with naturally dark hair. Grow-outs are easy to handle, saving time and money on salon visits.
