

Locating a Grave in Fairview Cemetery

You can use the online Cemetery Management Database to search by grave occupant. Start your search by typing in a last name. Find the occupant you are looking for in the list of results. On the left side of the search results, note the plot number. For example, plot number: F-SC-002-000183-05. You can use this number to determine the location of the grave in Fairview Cemetery. Each portion of the plot number helps to indicate the grave location.

- F = Fairbanks Cemetery
- SC = the section, Sturgis C. There are many sections in Fairview Cemetery, each with their own abbreviation listed below:
 - BE = Beach
 - BO = Bowles
 - BR = Brown
 - CX = Cox's Addition
