

3-HOUR TRAINING COURSE

# BASIC LIFE SUPPORT

(EMERGENCY RESPONSE)

This course is suitable for anyone, of any age, who is interested in dealing with an unconscious casualty who is breathing normally, or not. It includes managing an incident, maintaining an open airway for a breathing casualty and resuscitation (CPR) for a casualty who is not breathing normally.

It is particularly suitable for healthcare professionals for the purpose of Continual Professional Development (CPD), including:

- Dental practitioners
- Dental care professionals
- Nurses
- Other healthcare professionals
