## Proven **Design Solutions**

With more than 25 years in business, our expertise allows us to design and build a project that will meet your needs. Utilizing our 3 Step Building Process, you will be able to interact with a project designer and actually design your project in color, to scale in 3D. This unique process integrates your ideas and needs into the final project design.

## Fully **Licensed & Insured**

Baybrook Remodelers Inc. is fully licensed as a Home Improvement Contractor #554001 and a New Home Builder #105050. We employ two state-licensed building inspectors and a licensed MEP coordinator E1. We take care of the building permits. You benefit from licensed professionals on your project. Each of our employees passes a criminal background check and a drug test.

## Skilled & **Experienced**

An experienced project manager is assigned to your project seeing it through to a successful completion. Our designers, office staff and project development staff will assist you from the very first meeting to the final sign-off.

## 100% **Financing Available**

For your convenience, we can help with financing to get your project moving while helping you meet your budget needs. Credit eligibility and amount determined by third-party underwriter. *Baybrook Remodelers, Inc. is not a lender.*
