

# Master Survivor Program

## Start First by Eliminating Cortisol Levels - \$87 + s&h

Improve your telomeres, restore your stem cell response, eliminate stress and to lower your cortisol levels just click on this link <http://healthrevolutionproject.com/chris49> and purchase AminoBoosters or Telomind or AminoB12 or AminoSerene by credit card. Use the code CHRIS49 during the check out process to get your discount.

## HTMA - \$200 + \$12 s&h = \$212

To get your hair tissue mineral analysis a complete comprehensive report will be provided showing the activity of 37 minerals, toxic and trace metal levels and ratios in your body with food and diet recommendations for 6 months plus a free one hour telephonic consultation with Johnny. See payment information below.

## The 3Rs Total Gut Restoration - \$166 + \$12 s&h = \$177

Get complete elimination of irritable bowel, gluten intolerance by restoring the microbiome and tissue integrity of the digestive track. This 14 week program package includes the 3Rs - MegaSporeBiotic(\$55), MegaPrebiotic(\$55), MegaMucosa (\$55). To pay with your credit card register with the lab as my patient at this link <https://microbiomelabs.com/register/?ref=Gutlove>

## Its time to get your health and your body under your control!

We are working with several laboratories and the new findings of The Human Microbiome Project that provide gut restoration for nearly all digestive issues. Now with a proven stress reduction formula, the HTMA and total gut restoration the Master Survivor Program is the complete package for anti-aging and life long total wellness. The guessing game to achieve good natural health is finally over.
