Hello to everyone and welcome to the June edition of the club newsletter. We have just had a very successful weekend at the Jersey Festival of Motoring and I would like to say a big thank you to those members who took part in the event this year. I was involved again this year with the organising of the lower park display and find it hard to believe how everything seems to come together in such a tight schedule. Thank you also to those members who helped with the parking of our vehicles on the site and the manning of the new club gazebo, I hope nobody was filming us attempting the first erecting, there was plenty head scratching!

Let's hope that the fine weather continues for June as we have a new event at our Sunday meeting with a run followed by a picnic.

I would like to welcome new members, Mr Malcolm A’Court, Mr Peter Le Couteur, Mr Colin Huelin, Mr Richard Pallot, Mr Michael Cowen, Mr Anthony Morrison, Mr & Mrs Martin McCoy.

Cheers for now  Tim

FESTIVAL OF MOTORING

This year’s festival started on the Thursday evening with a Rolling Road Show. This consisted of a variety of cavalcades and demonstrations by a whole variety of cars and motorbikes and also included a commentary giving information on the clubs and vehicles taking part. 16 cars from the club took part in this and we completed 2 circuits of the Victoria Avenue course with a good number of spectators viewing.

The weather on Friday evening was perfect and members gathered on the promenade before the cavalcade at 7.00pm. The area was buzzing with spectators, this is a great venue to show off our pride and joy. Joining us this year was a group from Guernsey and following our club was a lovely collection of Minis, as the Mini is celebrating its 60th anniversary this year. This is a popular outing for our members with 28 cars and 2 motor bikes taking part.

The static display on Saturday and Sunday was well supported and with warm and dry conditions it brought out 40 vehicles including a great collection of motor bikes. We were very busy on Sunday with lots of enquiries about the club and by the afternoon we had run out of membership forms to hand out. Joining us again this year were 5 cars from the Yeovil Car Club.

I would like to say a big thank you to the organisers of the event and to all the members who attended to make it the success it was.
TRACTOR RUN – SUNDAY 28TH APRIL

Despite heavy rain on the Saturday, the weather for the first run of the year was fine and sunny and encouraged 26 drivers to turn out. Meeting at Rondel's Farm shop gave the drivers and some spectators too, a chance to have a chat and a look at the tractors which included Simon Drieu's newly acquired giant tractor. It was great to see two lady drivers taking part. An easterly route was taken ending up at the Club's monthly meeting.

TRACTOR RUN – SUNDAY 19TH MAY

25 tractors met up at John Lamy's home at Grouville where bacon rolls and coffee were kindly served. John had mapped out an enjoyable scenic route around the lanes of his home Parish and the run finished up at Jersey Royal in Trinity for an interesting tour of the packing station as an optional visit.

COMMERCIAL RUN – SUNDAY 26TH MAY

Despite the weather looking rather doubtful, several wonderful old commercials met up at the Esplanade car park. Driving through St Peter’s Valley then heading northwards to Faldouet, on to Five Oaks, then down along the Inner Road and finishing at the Club’s monthly meeting.

The Pallot family would like to thank the club members who kindly manned the small diesel trains' level crossing at the Liberation Day Steam Fayre.
FESTIVAL OF MOTORING
This was a busy four days especially for the ones setting up and taking down gazebo's, full praise to all who helped out. The public gave us such great support and there was interest all round the vehicles on every day. It was very enjoyable to be able to show off our vehicles on the Thursday evening with the Rolling Road show consisting of two rounds on Victoria Avenue.
It was a shame on that evening there weren't more people watching but the next three days made up for it. It would be great to see more variety of vehicles from all parts of the Club, there were plenty of cars and motorbikes there, however no tractors or commercial vehicles appeared. The public and the children love a tractor or two. Perhaps next year some of you can bring them along.
