How to Order**

All tobacco products purchased from Savannah Cigars Inc are sold in the State of Georgia, and title passes to the buyer in Georgia immediately at the time of sale. This applies to all sales whether by Internet, E-Mail, phone, or in person at the tobacco. Because of the myriad and ever-changing laws governing the shipment of tobacco products to different states, counties and local governments and the lack of any seeming uniformity and opinions of constitutionality, Savannah Cigars Inc makes no representation as to the legal rights to ship or import tobacco products into any state outside of Georgia. The buyer is solely responsible for the shipment of tobacco products and for specific knowledge of his or her state's, counties, or local laws concerning tobacco products shipment. By placing an order with Savannah Cigars Inc, the buyer expressly authorizes Savannah Cigars Inc to legally act as agent on the buyer's behalf to engage a common carrier as the delivery service for the order and that it is legal for an out-of-state buyer to receive tobacco products by common carrier at the address provided by the buyer. In placing this order, the buyer further represents that the buyer or the buyer's authorized, designated order recipient is at least 18-years of age on the purchase date.
