

Employer Drug and Alcohol Testing

We understand that keeping your workplace free from the dangers and productivity loss caused by substance abuse starts with an effective testing program. A true partner, we help you choose the right solution to meet your program objectives. We offer a variety of different panel testing. Anywhere from 5-panel to 11-panel and everything between. We can help you determine which is the best testing option for your company and help you create a Drug and Alcohol Policy if you don't have one in place. We also offer Alcohol testing for DOT and Non-Dot testing.

In addition we are able to perform hair follicle testing for drugs of abuse going back 90 days. This is a suitable option in custody and court cases for example.

Let us help protect you, your employees and your business!

Personal Testing

Here at our facility we offer **confidential personal tests** as well. Whether it be for you or a loved one, we take your confidentiality seriously. We pride ourselves on providing a safe and non-judgmental environment for all of your testing needs. Please do not hesitate to contact us with any questions on our personal tests, we offer not only common illicit drug testing but also can test for things like kratom and nicotine as well just to name a few.

Mobile Testing Services

When you work with ADC Testing Centers, Inc. our staff's top priority is keeping the process simple, convenient and accurate for you, our client! We are capable of doing mobile testing, whether it is DOT or Non DOT urinalysis, breath alcohol testing, hair follicle testing or occupational audiograms. We will bring our clinic to you and your employees. We will travel up to 450 miles round trip. Based out of Eugene, we service companies throughout the Pacific Northwest. Having a hard time finding someone to travel to your remote area? Give us a call to see if we can accommodate your needs.

DOT Consortium Pool

Here at ADC Testing Centers, Inc. we manage a DOT consortium for our clients. This helps keep the companies we work with in compliance with all of the Department of Transportation standards and drug policies. There is no annual fee to be apart of our consortium. Don't let Department of Transportation (DOT) regulations create a stranglehold on your efficiency. ADC Testing Centers Inc can help you reduce the costs of your DOT drug screen program. We can automate your program compliance through our online suite of screening, collection and management services.

DNA Testing

Our clinic offers DNA relationship testing (paternity, maternity, avuncular, sibling ship, missing parent, grandparentage). We also are able to offer DNA tests related to ancestry, infidelity, human identity matching, immigration and health and wellness! We work with Alliance Laboratory to bring the highest quality DNA tests to our customers. Our tests are affordable and confidential. We offer tests for court cases as well as personal non-legal tests.

OSHA Regulated Hearing Tests *Hearing Conservation Program*

We care about each of our patients and strive to provide exceptional audiology care. Our employees are trained and equipped COHC Technicians certified by the Council of Accreditation in Occupational Hearing Conservation (CAOHC). We offer the convenience of mobile off-site testing as well as in clinic testing. Our technicians work alongside local audiologist and Audiology Professional Dr. Ford to deliver the highest level of hearing evaluations and testing to our clients. Our training is specific to occupational settings and they are trained to perform Pure-Tone Air Conduction Hearing Tests. We also offer annual certified training on the effects of noise on hearing, purpose of hearing test procedures, types available, attenuation and hearing protection use, fit and care.

Identogo Identity Services

Our Eugene location is staffed with trusted agents who are trained to fingerprint you for TSA Pre-Check, TWIC and Hazmat.

We accept walk-ins or you can call the Universal Enrollment Help desk at 1-855-347-8371 to do your pre-enrollment and get set up with an appointment to guarantee yourself a certain time. Having the correct documentation for these appointments is crucial so feel free to call or visit <https://universalenroll.dhs.gov>. if you are unsure of what to bring.

Notary Public Services

We are proud to offer Notary Public signatures. Our employees are commissioned notary publics through the Oregon Secretary of State. Notaries perform an important role in preventing fraud and ensuring the integrity of transactions by verifying the identity of document signers. Notary Publics have an ethical obligation to serve the public and we are here to serve you! If you need your documents certified please do not hesitate to come see us today, we offer same day appointments!

We accept all major credit cards.
