

**TRY
SMILING**

I know its hard when there's thunder and lightning
And you're afraid of the dark
I know you worry when the scary movies start

I don't like it when the milk runs out and
I have to go to bed
I'm only happy when the sun comes out instead

I know, I know what I should do
If only I could be more like you
Have no fear, it's so clear
Your smile will take me to the moon

You should try smiling (JUST SMILE) x 2
We're gonna show you the way
We'll make it, together, we gotta say
You should try smiling (JUST SMILE) x 2
Shatter your fears on the ground
We'll make it, together, we gotta say
Don't let them bring you down.

I feel annoyed when my best team loses
I don't like spiders or sharks
I'm scared of clowns
and when really really big dogs bark.

I know, I know what we should do
If only we could be more like you
Have no fear, it's so clear
Your smile will take us to the moon

You should try smiling (JUST SMILE) x 2
We're gonna show you the way
We'll make it, together, we gotta say
You should try smiling (JUST SMILE) x 2
Shatter your fears on the ground
We'll make it, together, we gotta say
Don't let them bring you down.

Solo

You should try smiling (JUST SMILE) x 2
We're gonna show you the way
We'll make it, together, we gotta say
You should try smiling (JUST SMILE) x 2
Shatter your fears on the ground
We'll make it, together, we gotta say
Don't let them bring you down.
