Seeking Community Members to Serve on the Board of Directors!

Peninsula Community Health Services (PCHS) is seeking energetic and committed individuals to serve on its volunteer Board of Directors. PCHS is a progressive community health center whose mission is “Strengthening our community by providing accessible, affordable health care” through innovative, comprehensive, and integrated care for the whole individual.

Apply Now!

We are seeking board members who share the PCHS mission and with a commitment to serving the community. All ages are encouraged to apply, and those with experience in finance, medical professions, government/social services, and law are encouraged. Help shape programs and advocate policies to move the PCHS mission forward in the community.

Download an application online or contact Caty Reid at 260-7300 or creid@pchsak.org for more info!
