Transportation 2017 – 2018

Transportation for the 2017 – 2018 school year is on a first-come, first-served basis with no guarantees. There are very limited spots available so it is crucial that you follow the guidelines below:

- Child(ren) must ride the van **3 or more days** every week in order to sign-up/utilize the van
- The Club must be notified if you child(ren) does NOT need van service on any given day. This can be done in advance or on the day-of. If you are calling the day-of, the Club must be notified by 12:00pm (262.334.3732)
- Failing to notify the Club of your child(ren)'s absence may result in termination of van service
- Child(ren) must be on time when waiting for the van after school. The van will **not** wait for children that are not ready to load the van immediately
- Payment **must** be received every month. If finances are an issue, check with your Unit Director to discuss scholarship options. If payment is not received by the end of the current month, this may result in the termination of van service.
- A booster seat must be provided to the Club (with last name clearly written) for child(ren) that are 6 or 7 years old. The booster seat should be dropped off no later than Thursday August 17. (We provide some booster seats)
