

Hancock In Motion Minutes

September 2nd, 2017

7 Members Present

Discussed past event: Rockin The Woods- Changes and or things we should change next year.

Voted if we wanted to hold it again next year : vote 7-0 in favor.

Discussed next fundraisers: Wyldefire Dinner/Dance at Legion – Oct. 7th

Gun Raffle to be drawn on Oct. 21

New Business:

Was asked if H.I.M could participate in the Child Abuse Awareness Walk Day at Widmeyer – anything our group could do – Most members are busy that day or other plans. We will still see if any of us could do something.

Idea of H.I.M. trying to bring the carnival back next year, do we have enough manpower, is it profitable. Members agreed to have Tim and or Bobbi look into it, bring info back at a later time.

8 Members present

Discussed upcoming Dinner/Dance at Legion and how ticket sales were going.

Discussed the Toddler thru 5th grade Halloween Party coming up.

Agreed we need to see what games and prizes if any we have left.

Agreed to have Tim order prizes as needed. Bobbi is looking for possible Kids from the school who need hours to maybe help with the games.

We need additional help to pull off all the games, etc.

Discussed the Child Abuse Awareness Walk again, we do not have any manpower freed up for that day. Tim said he may see if he can help any that morning, but not sure yet.

New Business:

Do we want to do a Halloween Float for parade this year. Some interest was shown, but not sure if there is time with everything else. May be brought back up at later date.

Paint Night fundraiser was brought up, Bobbi is going to check into availability.

Trunk or Treat, voted 8-0 will take place again this year in the town lower lot.

Rockin the Woods was brought back up, to see if we wanted to do a date change. It was agreed there was really no other dates that looked good, unless we went back into May. Going to check next years date,

and see if it looks clear for us to start planning and advertising the date.

So date is pending....

Carnival idea was brought back up to hold at Kirkwood park, group asked Tim to contact some companies, find out what we need to know, before we make a decision.

Next meeting scheduled for Oct. 12th before Halloween party, so we can make sure we are good for that.
