**Wild Rivers Animal Rescue:
 Paving the Way Forward**

The entrance way to our shelter is being lined with pavers etched with personal messages from shelter friends and supporters like you, who recognize the good the shelter brings to our community

Remember a loved one or beloved pet, honor a friend or family member, or simply celebrate a memory. For a gift of \$100, your personalized paver will be inscribed and displayed at the shelter for years to come.

Show your support and help pave the way forward!
