### Student Password Registration and Reset Guide

#### Part 1: Password Registration

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
</table>
| Step 1 | Go to the following password verification link  
**Link:** [https://sso.iie.ac.za](https://sso.iie.ac.za)  
Enter your username and password  
**Username:** std\StudentNumber@uoaconnect.net  
**Password:** Password1 |
| Step 2 | Go to the following registration link  
**Link:** [https://registerpassword.std.advtech.co.za](https://registerpassword.std.advtech.co.za) |
| Step 3 | Enter your username and password  
**Username:** StudentNumber@uoaconnect.net  
**Password:** Same password used to access Student Portal and Electronic Library  
*NB:* If you don’t remember your password, please contact the IT Department for a password reset. |
| Step 4 | Click “Next”  
and then repeat your password |
| Step 5 | Answer the security questions on the screen |

*NB:* It’s important that you remember the security answers you typed as you will always need them when you reset your password in future.

#### Part 2: Password Reset

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Step 1</td>
<td>Go to the following link: <a href="https://resetpassword.std.advtech.co.za">https://resetpassword.std.advtech.co.za</a></td>
</tr>
</tbody>
</table>
| Step 2 | Enter your student number in the username field  
**Username:** StudentNumber@vcconnect.co.za |
| Step 3 | Answer the security questions  
*NB:* Same answers as when you were registering your password (Part 1, step 4). |
| Step 4 | Create a password of your choice. You may now access the UOA Platforms (see below) |

#### Part 3: How to access UOA Platforms

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Step 1</td>
<td>Go to the University Of Africa Website <a href="http://www.universityofafrica.net">www.universityofafrica.net</a></td>
</tr>
<tr>
<td>Step 2</td>
<td>At the top right of the website, click “Current Student”</td>
</tr>
</tbody>
</table>
| Step 3 | Click on the platform you wish to access, e.g. “Student Portal”  
**Username:** YourStudentNumber@uoaconnect.net, example: 1900012@uoaconnect.net  
*NB:* Always include @uoaconnect.net after your student number  
**Password:** Same password you created in Part 2 above |
