

ASME CODE MANUFACTURING

Assemblies, Components, & Welding Services

CMPI
CUSTOM MFG. &
POLISHING, INC.

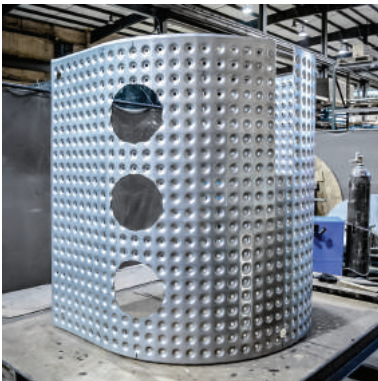

WE MAKE TANK & PRESSURE VESSELS EASY

Why do so many busy manufacturers in the tank & pressure vessel industries turn to CMPI? Because our ASME certified master welders and fabricators have the skills required to assist with your custom build, and our reputation for speed and accuracy is renowned throughout the midwest. We make your job easier.

Need Help Welding Dimple Jacket To Shells? We Do It Daily.
