TURN-KEY SERVICE FOR BUSY CONTRACTORS

Ornamental stainless fabrications are what set us apart from other manufacturers. We begin our process with your idea, not with off-the-shelf product.

TURN-KEY service means we provide material, design assistance, fabrication of your items, and install it on-site. We make architectural stainless look easy.

Let our expert road crews handle the installation!

CUSTOM ARCHITECTURAL FABRICATIONS

Single Line Handrail at Kansas State University

Large Exterior Stainless Building Sign

Polished Stainless Steel Column Covers

Custom Polished Stainless Light Pole Sculpture

Single Line Handrail Kits

Stainless railing retains its beauty for years with minimal maintenance. We also work with carbon steel & aluminum when required.

Custom Guardrail Systems

We provide several options for custom guardrail, including tempered glass panel rail, cable rail, wire mesh infill, picket-fence style guardrail, and more!

Stainless Steel Signs, Logos & Lettering

Make a bold statement with a custom stainless sign! We can cutout logos or lettering, or fabricate unique solutions for special sign requirements.

Beautiful Ornamental Metalwork

We build fitted counter-tops, casework & cladding for areas that need a sanitary and sleek surface solution. Fully customized artistic stainless sculptures are our speciality. The sky is the limit!
