

# CUSTOM ARCHITECTURAL FABRICATIONS

Our Motto Is: You Dream It, We Build It.

**CMPI**  
CUSTOM MFG. &  
POLISHING, INC.

## YOUR SOURCE FOR ONE-OF-A-KIND JOBS

Whether you need an artistic sculpture or a functional fabrication, we've got what it takes to transform your idea into reality.

CMPI's design teams work closely with customers, engineers, architects and artists to create some very special architectural metal projects.

Stainless "Shattering Silence" Memorial - Des Moines, IA

## FABRICATION CAPABILITIES

### Choose Your Metal

- 304 or 316 Polished Stainless (#3 to #7)
- Carbon Steel (Painted or Primed)
- Aluminum (Brush Finish Only)
- Alloy Materials

### Material Processing

Our capabilities with stainless are vast. Welding, Forming, Sawing, Rolling, Shear, Brake Press, & Waterjet Cutting, and more.

### TURN-KEY Service

Save money and purchase metals through CMPI! We can procure materials, polish them, fabricate to spec, and install your custom project, headache free.

### Customized Products

If you're looking for special features on your fabrication, like lighting, engraving, or other special features, you're in luck. We think we're capable of any job brought to our door.
