

SIGNS, LOGOS & LETTERING

Your logo is your reputation. Make it stainless!

CMPI
CUSTOM MFG. &
POLISHING, INC.

GET NOTICED WITH A BEAUTIFUL SIGN

Got something the world needs to know? Say it with a custom stainless sign!

Polished stainless and brushed aluminum are extremely eye-catching materials that are sure to turn heads who pass by them. Our signs are a durable and low maintenance way to make your statement!

If you need it to last, make it with stainless steel!

FABRICATION CAPABILITIES

Choose Your Metal

304 or 316 Polished Stainless (#3 to #7)
Aluminum (Brush Finish Only)
Alloy Materials

Lettering Font & Style

Choose your desired font and message, and we can fabricate stainless steel cutout letters, waterjet etched panels, and more!

TURN-KEY Service

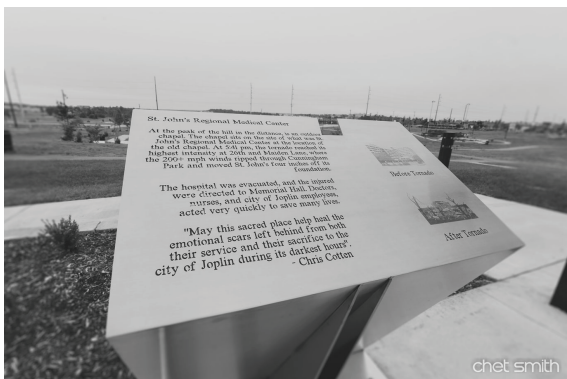

Save money and purchase metals through CMPI! We can polish, fabricate, and install your custom sign, headache free.

Extras

If you need special features on your fabrication, like lighting, engraving, or more, you're in luck. We do custom stainless like nobody else.

Cut out logos are no problem, any shape or size!

Durable displays and elegant etched stainless signs
