ABOUT THE COMPANY

Infinet Beats is an Events and Entertainment agency based in Dubai and established in 2016.

Our main goal is to create experiences that not only reach your expectations but go way beyond.

What we do is provide a powerfully integrated in-house service portfolio to our clients.

We also take pride in catering to all kinds of events such as conferences, seminars, award ceremonies, gala dinners, product launches, cultural events, fashion shows, exhibition stands, private events, corporate gatherings and more.

We are fully equipped to produce a wide range of events from conception to completion.

Infinet Beats, driven by passion and big ideas, provides customized and strategic event experiences where guests connect with our clients' brand and products in ways that are personally relevant and memorable.

Our approach is mainly focused on the customer's needs and the quality of service.

Our team offers the creative vision, professionalism, and expertise to create the best experience with constant care, attention to detail, originality and more than satisfying results.

We aim to make you reach your targets, by offering extended service to our clients and, therefore, building the relationship of a lifetime.

With time, we intend to establish our services worldwide, which will expand the public's knowledge of the aforementioned services and of us.

ALTERNATIVE BAND

Dubai-based Arab alternative band, comprised of five Arab musicians from across the region, founded by lead singer-songwriter who gave up a successful career in Finance to pursue her passion: MUSIC.

Of Syrian-Palestinian origin, born in KSA, "I write my songs in English with an Arabic twist. It allows me to stay close to my roots", says the singer.

Today, the band is one of the most exciting talents in UAE's arts scene with their debut album 'Hit The Ground' reaching 1# on iTunes ME.

Other highlights include performing at the AppleDubai Mall flagship store opening, being featured on Virgin Megastore's 'Out Loud Vol. 1' compilation album as well as being nominated for TimeOutDubai's 'Best Original Act 2018'.
