FORTY-NINER GOLD LAGER

5% ABV • 19 IBU (GOLD MEDAL WINNER, NORTH AMERICAN BREWERS' ASSOCIATION)

This is a rich, gold-colored lager with a crisp hop note. It maintains its zest and balance of hops and malt from start to finish. It is a cold lager and naturally carbonated all-malt beer that is very versatile and can be enjoyed alone or with nearly any type of food.

HORSESHOE HEFEWEIZEN

5% ABV • 19 IBU (GOLD MEDAL WINNER, GREAT AMERICAN BEER FESTIVAL)

A traditional unfiltered Bavarian wheat beer with aromatic hints of banana and clove. This beer is made with up to 50% wheat malt instead of all malted barley, which leads to a lighter note. It is deep gold in color with a very low hop bitterness level and a dense head of white foam. It is traditionally enjoyed as the summer beer of choice in Bavaria and pairs well with appetizers, pizza, chicken, fish and pork.

DOC'S PALE ALE

5.5% ABV • 46 IBU (SILVER MEDAL WINNER, GREAT AMERICAN BEER FESTIVAL)

It's just what the doctor ordered! Our American pale has an excellent malty richness balanced by a generous amount of Centennial and Cascade hops for a pronounced hop bitterness and aroma. Enjoy it on its own or with any type of food.

SNAKE CHARMER IPA

6.5% ABV • 65 IBU

A step above our Doc's Pale Ale. This is an American style IPA with massive amounts of Centennial, Cascade, Citra, Simcoe and Amarillo hops which produces profound hop bitterness with a touch of grapefruit.

OAK CREEK AMBER ALE

5% ABV • 21 IBU (SILVER MEDAL WINNER, NORTH AMERICAN BREWERS' ASSOCIATION)

A deep copper-colored medium-bodied ale. Its fresh flavor is smooth and carefully balanced with a nice mellowness and a hint of caramel malt balanced by medium hop bitterness. It is an all malt beer that is naturally carbonated. It is very drinkable on its own and pairs well with all kinds of steaks, chops, roasted meats and spicy food.

VILLAGE NUT BROWN ALE

6% ABV • 21 IBU (GOLD MEDAL WINNER, NORTH AMERICAN BREWERS' ASSOCIATION)

This Northern Arizona favorite has consistent nutty flavor with just a hint of spice in its depths. A slowly emerging bitterness crops up along the way and is unobtrusively incorporated into the smooth flow. It finishes with a gentle nuttiness and spiciness. Excellent with steaks, chops and ribs!

PULLMAN PORTER

6.5% ABV • 30 IBU

All aboard for a very dark and full-bodied ale with its rich flavor coming from the caramel and dark roasted malts used to brew it. This traditional English ale exhibits coffee-like taste notes combined with definite hop bitterness and a full malty flavor. Great with steaks, chops and ribs!
