Continued Growth of RPg

We are excited to announce the addition of Brian Danahy

(Burlington, MA) October 4, 2016: Risk Paradigm Group, LLC (“RPg Asset Management” or “RPg”) announced today the addition of Brian Danahy as Regional Manager for the Mid-Atlantic region serving institutions and financial intermediaries.

Brian has been in the financial services industry for over 30 years. During those 30 years, he has had the opportunity to learn from several stewards in the financial services industry. A large degree of his success can be attributed to the instruction and guidance he received while working for the original Dreyfus Corporation. While there he was allowed to pursue his passion for financial sales. Brian is a graduate of Niagara University in Niagara Falls, NY. He also has done some graduate work at Neumann University outside of the Philadelphia, PA area. Brian has resided in New York, Washington, DC and Philadelphia regions. Presently, Brian lives in the suburban Philadelphia area with his wife, Veronica and their son, Sean. Brian will report directly to Paul Wharf, Senior Director- Head of Distribution.
