WHEREAS, Colorado Revised Statutes (C.R.S.), Section 24-1.9-102, authorizes the county department of human services/social services to enter memorandums of understanding with specific agencies for the purpose of promoting a collaborative system of local-level interagency oversight groups and individualized service and support teams to coordinate and manage the provision of services to children and families who would benefit from integrated multi-agency services; and

WHEREAS, the undersigned desire to enter into an agreement for the collaboration of services to families and children who would benefit from integrated multi-agency services; and

WHEREAS, the undersigned agencies include all of the agencies required by statute.

NOW THEREFORE, in consideration of the premises and mutual promises and covenants herein contained, and for their mutual benefit, the Parties agree as follows:

Term of the Agreement. This MOU shall be effective beginning July 1st, 2018 and shall expire June 30th, 2019.

Renewal of MOU. The Parties may renew this MOU annually subject to mutual agreement. Each Party reserves the right to elect not to renew the MOU after expiration of the current term. If any Party intends not to renew the MOU, it should give notice of such intent at least thirty (30) days prior to expiration of the Agreement.
I. Oversight Group. The Parties agree that there is hereby created an Interagency Oversight Group (IOG) as authorized by C.R.S 24-1.9-102, that is identified locally as Rural Integrated Service Engagement (RISE), whose membership shall be comprised of a local representative of each Party to this MOU. Membership requirements, the status of each Party as a voting member or advisory member, procedures for election of officers, procedures for resolving disputes and procedures for the development of subcommittee groups can be found in the By-Laws/Procedure Guide (“By-Laws” or “Guide”) attached hereto as a labeled Appendix A, as more specifically identified below (please check this box if there are changes in this section from last year ☒):

- Membership requirements: RISE Policy and procedures section 4.3 Membership Requirements
- Voting or Advisory Status: RISE Policy and Procedures section 4.7 Voting Status for Membership
- Election of Officers: RISE Policy and Procedures section 4.3 Membership Requirements item 4.3.13
- Dispute Resolution: RISE Policy and procedures section 4.8
- Subcommittee Groups: RISE Policy and Procedures section 4.9 Subcommittees

II. Target Population. In recognition of the goals of the Collaborative Management Program (CMP), children, youth, and families across systems are identified and served according to their contact with collaborative programs. The CMP target population consists of at-risk children (including, but not limited to, sex trafficking) and youth ages birth through twenty-one (21) years of age and their families who would benefit from a multi-systemic integrated service plan or multisystemic approach. An Individualized Service and Support Team (ISST) includes two (2) or more system representatives that are present to assist a child/youth/family with developing an integrated service plan directed by family need. The ISST identifies goals and facilitates collaboration and is a family-driven model for service planning. The child/youth/family members are present at and participate in the development of their plan. Rural Integrated Service Engagement (RISE) serves their target population(s) directly through an ISST(s) called: Lincoln-Service review team (-LSRT), Game Plan to Success (GPS), and LCDHS Family Engagement Meeting (FEM). For further description of each program, please refer to Appendix C. A child/youth performance measure will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.

RISE also includes preventative programs; RISC Case Manager and the Alliance Program. The RISC Case manager was developed as a multiagency delivery of services for the Lincoln County rural community. The Alliance Program is a multi-
systemic and a joint approach that benefits children and youth. For further description of each program, please refer to Appendix C. A child/youth performance measure will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.

III. Services. The Parties agree to provide the following specific services, subject to the availability of funds for which the collaborative has authority as specified below.

Services Defined: Please see description of each service and program in Appendix B and C.

- The CMP provides a multisystem an Individualized Support Service Team (ISST) meeting by funding/staffing the Lincoln-Service Review Team (L-SRT) meeting. This meeting reviews children and youth with complex needs who are involved with Child Welfare, Mental Health, Juvenile Justice system and/or Mental Health by providing collaborated facilitated meeting, to provide connection to community and system resources, and additional support services. A meeting is held if the youth/family is involved in 2 or more systems (DHS and Judicial) or is at risk of crossing over into multiple systems. The focus of the ISST meeting is a 2GEN approach that will address the needs of the both child/youth and their family. The child/youth and family are invited to attend the meetings. These meetings bring the appropriate agencies and supports to the table to create an action plan as to where there is non-duplication and fragmentation of services. A youth and family measure of success/non-success will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.
  - CMP youth with no substantiated abuse findings after CMP services began
  - Children and youth who did not enter into detention
  - Children and youth with improved academic performance while involved with CMP

- The CMP provides a multisystem an Individualized Support Service Team (ISST) by funding/staffing the Game Plan to Success (GPS) meeting. It targets multi-system involved youth in the Education, Mental Health, Law Enforcement, Child Welfare, and Juvenile Justice system(s) by providing a consultation or collaborated facilitated meeting, to provide connection to community and system resources, and additional support services with or without system involvement. The focus of the ISST meeting is a 2GEN approach that will address the needs of the child/youth and their family and treats them with individual needs to best serve the family. The child/youth and family are invited to attend the meetings. These meetings bring the appropriate agencies and supports to the table to connect the family to what the family needs and seeks. A youth and family measure of success will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.
  - CMP youth with no substantiated abuse findings after CMP services began
  - Children and youth who did not enter into detention
  - Children and youth with improved academic performance while involved with CMP
The Lincoln County Department of Human Services is the lead agency that holds Family Engagement Meetings (FEM). Family Engagement Meetings (FEM) may count as an Individualized Support Service Team (ISST) when one other system (Mental Health, Education, and/or Juvenile Justice) is in attendance along with Child Welfare. The focus of the ISST meeting is a 2GEN approach that will address the needs of the child/youth and their family and treats them with individual needs to best serve the family. The child/youth and family are invited to attend the meetings. Please refer to Appendix C for further detailed information. A youth and family measure of success will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.

- CMP youth with no substantiated abuse findings after CMP services began
- Children and youth who did not enter into detention
- Children and youth with improved academic performance while involved with CMP

Rural Intervention Specialized Case Management (RISC) serves children, youth and families through other multi-system methods (as defined in Section III: Target Population); and is described in Appendix C. The program is a collaboration between CYDC/SB94, the Juvenile Assessment Center and Rural Integrated Service Engagement (RISE). A youth measure of success will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.

- CMP youth with no substantiated abuse findings after CMP services began
- Children and youth who did not enter into detention
- Children and youth with improved academic performance while involved with CMP

Alliance Program is a preventative program that supports youth at risk ranging from 10-year-olds to 17 years of age, referrals come through the SRT/GPS/TDM process, schools, and community agencies. The different programs under Alliance (Appendix C: 6 Big Ones, Alliance After School and Summer program, Legacy Projects, RESTORE, Tutoring, GED Program, 7 Mindset, School Based Support and YAP) in collaboration with Centennial Mental Health, Advocates for Children, 18th Judicial District Colorado Youth Detention Continuum DYDC/SB94, Juvenile Assessment Center (JAC) and Rural Integrated Service Engagement (RISE) it strives to meet the needs of each student by offering homework support, mentorship, and group activities. The group activities include but not limited to therapeutic needs, life skills, self-esteem workshops, building peer relationships and mentorship. For a further description please, referer to Appendix C. A youth measure of success will be attached to one or more of the (3) Performance Measurements, please refer to Appendix D.

- CMP youth with no substantiated abuse findings after CMP services began
- Children and youth who did not enter into detention
- Children and youth with improved academic performance while involved with CMP
IV. Authorization to Contribute Resources and Funding. Each Party represents that it has the authority to approve the contribution of time, resources, and funding to solve problems identified by Rural Integrated Engagement Service (RISE) in order to create a seamless, collaborative system of delivering multi-agency services to children and families. The resources and funding to be contributed are identified in Section VI: Funding Sources.

V. Funding Sources. Funding identified in this MOU may be a carryover from incentive funding or savings, additional funding provided to the CMP program or any funds directed towards CMP. Additional funding may become available during the term of this MOU and parties agree to comply with any terms, conditions and restrictions on the funding made available to them. The Parties agree to financial risk sharing where commitments to support programs exceed the remaining monies available. The fiscal agent for Rural Integrated Engagement Service (RISE) is Weld Adolescent Resource (defaults to County Human Services/Social Service Departments) and by signing here _______________ (signature of fiscal agent) agrees to assume financial risk. The financial risk defaults to the fiscal agent unless otherwise stated here _______________. For this reason, Rural Integrated Engagement Service (RISE) projects a conservative budget based on currently available resources.

VI. Reinvestment of Funds Saved.

County Department of Human/Social Services elects, for SFY 2018-19, to (select one):
☒ Participate in Surplus distribution of Child Welfare Block Allocation, or
☐ Participate in Savings distribution of Child Welfare Block Allocation.

Pursuant to this MOU, Savings/Surplus Realized by County Department of Human/Social Services (select one):
☐ A portion of Savings Realized WILL BE reinvested. The amount will be determined after the closeout process of the Child Welfare Block Allocation. The reinvestment will be by the Parties to this agreement in order to provide appropriate services to children, youth and families served in the child welfare system who would benefit from integrated multi-agency services, or
A portion of Savings Realized WILL NOT BE reinvested. The amount will be determined after the closeout process of the Child Welfare Block Allocation.

Rural Integrated Service Engagement (RISE) has established a procedure to allow incentive funds received by the DHS, and allocated pursuant to CRS 24-1.9-104, to be reinvested by the Parties to provide appropriate services to children and families who would benefit from multi-agency services has been approved by the head or director of each Partner, as documented in the By-Laws/Guide at Appendix A section 2.4 Incentive Funds.

Rural Integrated Service Engagement (RISE) has established a procedure to allow any funds resulting from waivers granted by the federal government and any state general fund savings realized as a result of the implementation of services provided to children, youth and families who would benefit from multi-agency services has been approved by the head or director of each Partner, as documented in the By-Laws/Procedure Guide at Appendix A section 2.3 Savings Realized.

VII. Collaborative Management Processes. Pursuant to section 24-1.9-102(1)(e) Rural Integrated Service Engagement (RISE) has established a collaborative management process addressing risk sharing, resource pooling, performance expectations, outcome monitoring, and staff training which can be found in the By-laws/Procedure Guide attached hereto as a labeled Appendix, as more specifically identified below (please check this box if there are changes in this section from last year ☐):

• Risk sharing Appendix A, 1.1;
• Resource pooling Appendix A, 1.2;
• Performance expectations Appendix A, 1.3;
• Outcome monitoring Appendix A 1.4; and
• Staff training Appendix A, 1.5

VIII. Measures.
Pursuant to section 24-1.9-102(2)(i) the Parties hereby determine that they will attempt to meet performance measures specified by the Colorado Department of Human Services, in conjunction with the Collaborative Management Program State Steering Committee, and elements of collaborative management in order to (please check this box if there are changes in this section from last year ☐):

A. Reduce duplication and eliminate fragmentation of services provided to children, youth and families who would benefit from integrated multi-agency services. The Parties will reduce duplication and fragmentation of services by Policy Procedure Appendix A section 1.5 Training and by participating in an annual strategic planning which includes county needs assessment and system care evaluation and ISST Policy and Procedure, Appendix B.

B. Increase the quality, appropriateness, and effectiveness of services delivered to children and families who would benefit from multi-agency services, to achieve better
outcomes; Parties will increase the quality, appropriateness, and effectiveness of services delivered through: *Policy and Procedure Appendix A section 1.3 Performance Expectations and 1.4 Outcome Monitoring and ISST Policy and Procedure, Appendix B.*

C. Encourage cost sharing among service providers. Parties will encourage cost sharing through: *Policy and Procedures section 1.2 Resource Pooling, ISST Policy and Procedure Appendix B and Preventative Programs Policy and Procedure Appendix C.*

**Performance Measures.** *Rural Integrated Service Engagement (RISE)* has determined how performance shall be measured and has selected three (3) measures in which the Colorado Department of Human Services shall determine incentive funding to the local IOG in a labeled *Appendix D.*

**Process Measures.** Pursuant to section Code of Colorado Regulations 7.303.35 (A), the Parties hereby determine that they will attempt to meet process measures in order to receive the meaningful minimum portion of the collaborative management incentive funds.

Counties will receive the meaningful minimum (35% of total allocation) based on the two (2) following criteria: 1) County size designated by the child/youth population of the county and; 2) Meeting three (3) of the six (6) process measures of collaborative management.

Please select all the process measures that the CMP site will be striving for. Each CMP site must select at least three (3).

- ☒ IOG meeting attendance (all partners signing MOU attending 75% of the time at 75% of scheduled meetings);
- ☒ Family agency or member participation on the IOG as a voting member;
- ☒ Seventy-five (75%) percent of the agencies contribute resources at a service level, either in-kind or actual funds;
- ☒ Use of Evidence Based or Evidence Informed practices;
- ☒ Process of Continuous Quality Improvement used by the IOG;
- ☒ Evidence of cost-sharing.

**IX. Data.**
The Parties agree to use either the State provided Efforts to Outcomes (ETO) database or the SACWIS (Statewide Automated Child Welfare Information System) for data collection for CMP served clients. ETO shall be used for non-child welfare children, youth and families to track participation. Trails or SACWIS database shall be used for all Child Welfare CMP served children, youth and families.

The Parties agree by signing this MOU that the attestation statement shall be completed and The Parties shall comply with Operational Memo #OM-CW-2015-0009 prior to receiving incentive funds. The CMP site is responsible to ensure there is not duplication of clients entered into ETO.
and/or Trails. Duplication is defined as a child, youth or family that is counted twice for the same ISST meeting or prevention program and recorded in one (1) or more CMP data system(s). A child, youth or family may be counted for multiple service episodes supported by several multi-systems partnerships.

X. Confidentiality Compliance. The Parties agree that State and Federal law concerning confidentiality shall be followed by the Parties and Rural Integrated Service Engagement (RISE). Any records used or developed by Rural Integrated Service Engagement (RISE) or its members or by the ISST that relate to a particular person are to be kept confidential and may not be released to any other person or agency, except as provided by law. The Parties have developed a release of information that addresses the confidentiality needs of all Parties attached hereto as a labeled Appendix B.

XI. Termination of MOU. The Parties acknowledge that withdrawal from this MOU of any Mandated Party shall result in the automatic termination of this Agreement and termination of the collaborative system of delivery of services developed hereunder. The withdrawing Party shall assist the other Parties to achieve an orderly dissolution of the collaborative system with as little disruption as possible in the delivery of services provided to children and families who would benefit from multi-agency services.

A. Withdrawal/Termination. Any Party may withdraw from this Agreement at any time by providing 30 days written notice to all other Parties.

B. For Loss of Funds. Any Party may withdraw from this Agreement or modify the level of its commitment of services and resources hereunder, in the event of loss or reduction of resources from its funding source identified herein. Any Party withdrawing due to loss of funds will provide notice of withdrawal, in writing within 30 days.

C. Distribution of Funds. The Parties have established a collaborative management process addressing the distribution of funds if the MOU is terminated as further described in the by-laws/procedure guide. Policy and Procedure Appendix A, 2.
IN WITNESS WHEREOF, the Parties hereto, through their authorized representatives have executed this Memorandum of Understanding and commit to all elements described above, effective for the dates written above. (Please note scanned and electronic signatures are acceptable)
