AGENDA ITEM	DISCUSSION	Action Items
Minutes	Reviewed and Approved	
Financial	Good Standings	
Coordinator/RISC Update	Written report was emailed, no updates	
ISST barriers/successes	Student from our June L-SRT passed his summer course that IOG paid for as well as his tutoring. He received 89%, has a new outlook reports that he really wants to finish school and go to college	
Programming-VOTE	Requesting dollars to support one-on-one tutoring needs for two youth for the SFY 17-18 for 3 tutors at \$20 per hour	Elon Calkum – motioned Curtis Hamstra - second
Colorado Access	RAE – future changes for Colorado Access/Medicaid – 5 BHO – July 2018 will change into phase 2. Make single organizations. Colorado opportunity framework. Expand different stages of people's lives. Wants to start at an earlier age to help get families to a wellness area rather than a treatment area. Treatment – pay for services. Preventions – pay for outcomes. Integration – invest in systems. Wellness – invest in communities. RAE will be getting a certain amount of money from the state -state wants to see them make a difference in treatment to wellness.	Standing Item on the agenda/ Framework
Community Updates	Child Care- law has changed -friend family neighbor Baby Bear Hugs -Box Project for babies DYS- Trauma Inform Care – implementing throughout the agency, training officers to engaged with the youth
