Massage

Massage is probably one of the most cost effective treatments so we don't offer a kit for this. All you need is a selection of towels,(Bath and hand towels), massage bed (electric ones are great but expensive so whilst starting off we would recommend something like this)

https://www.amazon.co.uk/Yaheetech-Portable-Lightweight-Aluminium-Sections/dp/B07XD7JM7Q?ref=s9_apbd_orecs_hd_bw_b3fQHEF&pf_rd_r=HV234PRAZTHWHM2RXB86&pf_rd_p=d60c7374-cdc9-50cb-8b4b-a72b040f45e9&pf_rd_s=merchandise-search-10&pf_rd_t=BROWSE&pf_rd_i=3360491031

You will also need some massage oil (please let us know if you like us to get in for you).

We would recommend grapeseed oil, a good quality oil that is odourless, colourless and quickly absorbed into the skin. You need to be careful with client allergies with certain oils, such as almond oil.
