About this website:

Welcome to our “Apprenticeship Live Binder.” This website has been designed to house a selection of Apprenticeship information and resources. The target population for this live binder is Ontario’s Literacy and Basic Skills (LBS) programs. It’s our goal to provide instructors with information and resources that build their capacity to work with students who have an Apprenticeship as a career goal.

About us:

Literacy Link South Central is a literacy information and referral network servicing the 6 counties of Oxford, Elgin, Middlesex, Brant, Haldimand and Norfolk. We are funded primarily through the government of Ontario and we are a partner in the *Employment Ontario* system. We support literacy programs through service planning, resource development and by providing training opportunities. Our goal is to build the quality of life in our community through a well-connected and well-resourced literacy service delivery system.
