

THE VEITCHI GROUP OF COMPANIES

ENVIRONMENTAL POLICY STATEMENT

As a principal contractor and as Scotland's largest subcontractor in the construction industry, the Veitchi Group offers a unique range of services to main contractors and end users across the UK. We work closely with our clients to understand their requirements and tailor services across various trades, thereby demonstrating the strength of the Group through its diversity.

The Group is committed to continual improvement of environmental performance and prevention of pollution as an integral part of its business strategy.

These aims will be achieved by the following objectives:

- Maintaining a management system meeting the requirements of ISO 14001:2004;
- Ensuring compliance with applicable legal and other requirements;
- Monitoring, reviewing and improving, where possible, the management of our significant environmental aspects;
- Raising awareness of environmental issues throughout our workforce to enable our employees to be environmentally responsible at work;
- Managing waste within workplaces for which we have control by reducing, reusing or recycling waste, where practical; and
- Using fuel, gas, water and electricity more efficiently and monitoring progress.

This Environmental Policy will be communicated to all persons working for and on behalf of the Group and will be reviewed annually. The Policy will be available to all interested parties and published on our website www.veitchi.com.

Signed:

Jim Preston
