**NELSON ASPEN is one of Entertainment's most charming personalities** in TV, radio, print and on-line.

For three seasons, he was the Hollywood Producer/Reporter for TV GUIDE TELEVISION and frequent guest star on everything from celebrity news and talk shows to sitcoms and travel programmes. He's contributed to a vast array of outlets, from news magazines EXTRA, ACCESS HOLLYWOOD, INSIDE EDITION and eight years as RTE Ireland's Afternoon Entertainment Guru to his own how-to series "NEW with NELSON!" But there's a lot more to this Showbiz Insider than just good looks, A-list contacts and masterful storytelling ability.

Nelson has spent well over a decade with Australia's #1 breakfast show "Sunrise" as their Show Business Editor... bringing the latest in entertainment and pop culture to millions of viewers around the world, every morning! His bi-coastal status, bouncing between Tinseltown and Manhattan, gains him access to the hottest stars and scoops. One day he's on the red carpet chatting with Tom Cruise...the next he's sitting down for exclusive chats with Meryl Streep!

In addition to his successful presenting work, Nelson writes for several international publications and privately coaches celebrities and other media professionals for interviews and public speaking appearances. Nelson is a frequent emcee, speaker & panel moderator for star-studded events such as film festivals, book launches

Outside of the entertainment industry, Nelson is an avid sportsman, novelist and cabaret performer. Over the years Nelson has released many best-selling books. His latest book, "My Prime Time," came out to coincide with his return to the musical theatre stage at the Adelaide Cabaret Festival. With over 30 years experience on the cabaret circuit (New York City "Easily Influenced" at Don't Tell Mama's and Los Angeles "Wake Up with Nelson" at Masquers) Nelson's passion for performing is evident with his trips to Australia to perform at sold out venues and most recently at the famed Sydney Opera Hour.

His 2017 cabaret offering "Full Circle" played to Standing Room Only crowds in NYC, LA and Philadelphia which he has followed up with similar success in 2018 with "Just in Time," culminating in his West End debut in October 2018.

2019 is gearing up to be another exciting year for Nelson. Celebrating his 16th anniversary with television show Sunrise, Nelson will be heading back down under for a series of cabaret performances and Aussie audiences couldn't be more excited!
