

Hello Everyone,

My name is Bryan Goltz. I Graduated Paynesville Highschool in 1988 and moved to Spicer in 1992. Met my wife Michelle of 19 years in 2001 and married in 2002.

We live in the house we built together 3 years ago on Woodcock Lake, with our dog Scooby-Doo Goltz (formerly Igor; formally Skippy born July 11th, 2009 in HCAS) We have had him since Nov. of 2009 and could not love him more!! I have had other pets in my lifetime that will always hold a special place in my heart. We enjoy spending time outdoors and with our families and friends.

I have always had an enormous love and compassion for all animals big and small and a deep concern for their treatment, well-being.

I am excited to be nominated to be a part of the Hawk Creak Animal Shelter Board of Directors' team. I am also honored to have an opportunity to help this Shelter that is near and dear to my and my wife's hearts. I hope to be a helpful resource and participant in the group.

I was self-employed from 1991 till 2017

Owner of Papas Pizza Place from 1991-2001

Framing subcontractor 2001-2004
