Don Rodriguez  
Chief Executive Officer

\*Past President

Dear Long Beach Community Friends,

We here at Boys & Girls Clubs of Long Beach are incredibly grateful for the continuous support of our friends and community. As 83% of our Club members live in poverty, we strive to provide for them as much as we can, but are not able to without your help.

We are asking for our community partners to collect new, unwrapped toys to give to the Club members who would otherwise go without. We have created a toolkit to help our supporters be successful in their collections and have made our staff available to assist in any way they can.

For those that desire to go the extra mile, we have a few Club families that will be participating in the Adopt-a-Family program. We can personally pair you with a family and share their wish list, or we can take the work out of it and do the shopping for you.

Each year, we continue to advance our mission to enable all young people, especially the disadvantaged and underrepresented of our community, to realize their full potential as productive, caring and responsible citizens. With your support, we have seen many lives change for the better.

Warmest regards,

Don Rodriguez  
Chief Executive Director
