

*The mission of Boys & Girls Clubs of Long Beach is to enable all young people, especially those who need us most, to reach their full potential as caring, responsible and productive citizens. We achieve this by providing a safe, welcoming and positive environment where they receive at least one hot meal a day, assistance with school work, and enriching programs that let them be creative and active kids.*

*The goal of the 2017 Joy Drive is to provide a gift to each Boys & Girls Clubs of Long Beach member who would have otherwise gone without. Toys will be collected throughout the month of November and early December from corporate partners and supporters.*
